

# Li Boyuan

## EDUCATION

### Renmin University of China

Gaoling School of Artificial Intelligence

Ph.D major in Artificial Intelligence  
2022 - Present

### Shandong University

School of Computer Science and Technology

BS major in Computer Science  
2018 - 2022

## SKILLS

### Languages:

C++, Python, JavaScript, Java

### Frameworks:

ReactJS, NodeJS, Flask

### Tools:

Matlab,  $\LaTeX$

Git, VSCode, Figma

PyCharm & AndroidStudio

## WORK EXPERIENCE

Monitor of Computer Class 1802

Teaching Assistant of Database System and Data Structure Courses

Minister of Arts from the Student Union of CongWen College

Vice Chairman of OpenLab of School of Computer Science and Technology

## ACTIVITIES

2018/2019 CongWen College Year-end Party

The 1st/2rd SDU hackathon Competition

## INTERNSHIP

### Microsoft Research Asia, MMD Multimodal Computing Group

June 2022 - Dec 2022

- Focused on game character motion style transfer research, enhancing animation realism.
- Collaborated with Xbox's TheCoalition studio to apply research in game development.

## RESEARCH EXPERIENCE

### Renmin University of China, AIMind Research Group

Sep 2022 - Present

- Leading data-driven character animation generation research.
- Specialized in multimodal human motion generation models and currently focusing on text-based multi-person motion generation.

## AWARDS AND HONORS

The 14th National University Student Software Innovation Competition

**National 3rd Prize, 05/2021**

"Shenzhen Cup" National College Students Mathematical Modeling Challenge

**National 2nd Prize, 08/2019**

National University Students Mathematical Contest in Modeling

**1st Prize of Shandong Division, 09/2020**

The 6th "Internet +" Shandong University College Student Innovation and Entrepreneurship Competition

**Bronze Award, 09/2020**

CCF University Student Computer System and Programming Competition (East China Division)

**Bronze Award, 10/2020**

MCM-ICM 2020

**Honorable Mention, 04/2020**

Program Design Competition of Shandong University

**1st Prize, 05/2020**

Specialty Scholarship in field of Research and Innovation

**1st Prize, 12/2020 & 12/2019**
